Registration

Please read the form carefully and fill in all fields as they are all required.

Because our team is growing many families don't know each other. We will be offering a team directory and need all families to indicate whether or not they want to be included. Please fill in the area for allowing or not allowing us to publish your information in the directory. **We cannot include your family in the directory without your permission.** More information will be provided for this at registration and on the website.

Monthly Payments

All bills will be sent out by email around the 15th of each month and you will be billed in arrears. Please indicate on the registration form the email address you wish to receive your bill at. If you want a bill sent by posted mail please indicate in the designated area. There is a discount for families with multiple swimmers (see the brochure for this information). **There will be a \$25 charge for insufficient funds.**

Any questions about your bill should be directed to the treasurer at swimhsa@yahoo.com.

Two weeks advanced notice is required when leaving the program or taking time off. Notice can be emailed to swimhsa@yahoo.com to cancel or you can give notice to your coach.

Family Volunteer Commitment

We have three meets each year. These are our primary fundraisers and very important. All families are required to work if they have a swimmer entered. If you have a swimmer entered in a meet and no family member works you will be assessed a penalty of \$50 per required session. See SWIM MEETS WITH HSA for more details.

For all information please visit our website: swimhsa.org.
